OTTAWA COUNTY

2022-2023 Community Guide

Brought To You By Your Local Chambers of Commerce

COVER PHOTO BY DEBI HEIKS

It's Happening at the CMP!

It's Friendly.

Just because we're located at an Ohio National Guard training camp, it's not an intimidating place. Camp Perry operates much like a state park.

The CMP is the camp's largest tenant and our guests are Camp Perry's guests too! In fact, there's a public beach for year 'round fun, fishing, tennis, rental cabins and an RV park to name a few!

Our Gary Anderson CMP

Competition Center is a great place to learn the fundamentals of rifle and pistol marksmanship or polish up on a recreation you enjoyed as a kid!

Low-velocity pellet air rifles and pistols are available for rent. The center houses an Olympic-quality airgun range, classrooms, common gathering areas and plenty of places to sit and relax or watch the progress of shooters on overhead widescreen TVs. Our facilities are also available for community use.

It's Challenging.

Marksmanship, like all sports, hobbies or academic pursuits, - isn't easy - everyone would be a champion or a straight "A" student if that were the case! However, the shooting sports offer challenges to individuals and to groups who can learn to master their own skills, then combine them with others, encouraging teammates to excel in the same manner.

Marksmanship offers options. It can be an individual sport or team sport and many times, both. CMP hosts multiple monthly matches, plus regional and national championships at the Anderson Center.

The CMP is also home to the National Matches, fired on the outdoor ranges at Camp Perry. Whether airgun at 10 meters or highpower rifle at 600 yards or pistol at 50 yards, the challenges are the same - leveraging mind over matter.

It's Nearby.

Open to the public at the Camp Perry Training Site on Route 2, just west of Port Clinton, the CMP offers dozens of indoor and outdoor firearms safety and marksmanship opportunities yearly.

The Gary Anderson CMP Competition Center is open Tuesday and Thursday evenings from 5 to 8 p.m.

*Bring the family out...
We're in your back yard!*

It's Constructive.

Marksmanship develops multiple constructive habits in participants of all ages. Whether you're 12 or 72, marksmanship promotes self-control, patience, good work habits, concentration, concern for others and it

rewards individuals with measurable results, a sense of achievement and lasting memories with friends and family.

Rich in History, Culture, and Natural Resources

Ottawa County is an outstanding area to visit, a great location to live, and an excellent place to do business. Our historic City and villages, quality education, outstanding recreational opportunities and thriving business atmosphere make our area a wonderful place to establish a business and raise your family. The County seat is the City of Port Clinton with a courthouse which has been placed on the National Register of Historic Places.

Located on the shores of Lake Erie about 15 miles southeast of

Toledo, Ohio, Ottawa County is known for its excellent

recreational opportunities, which support a booming tourist trade for fishing, boating, sightseeing, and unique shopping experiences. The Portage River bisects the County and increases the waterfront property available for recreation and leisure living.

The majority of businesses are locally owned and operated in the quaint fishing villages and farming communities of Elmore, Genoa, Marblehead, Oak Harbor, Put-in-Bay and Port Clinton. Each village has its own unique history and flavor.

PHOTO BY MARK CAPUCINI

Bountiful Orchards, Wineries and Wildlife

The County population is 41,428 in an area of 255 square miles which features a rich history in agriculture, which has produced many orchards, wineries, and bountiful farm markets from the fertile soil. It is home to more state parks than any other county in Ohio, as well as the Ottawa County National Wildlife Refuge, the only national refuge in Ohio. The County is host to several state wildlife areas, including the world-famous Magee Marsh Wildlife Area, location of the Sportsman's Migratory Bird Center and one of the top bird-watching spots in North America. The Erie

PHOTO BY MARK CAPUCINI

Ottawa International Airport, nestled just outside Port Clinton, is in the heart of vacationland and serves both Ottawa and Erie Counties. Its 5,650 foot and 4,000 foot crossing runways make it popular with the private aircraft or freight carriers for businesses of all sizes. The Erie Ottawa International Airport contact number is 419-734-6297.

Enjoy it All From Here!

With so much to offer, it is no wonder that Ottawa County has become the destination of choice for Lake Erie adventures for visitors from throughout the United States. We welcome you to our area of enjoyment!

EXPLORE THE GREAT OUTDOORS

Plan your vacation around the pleasures of the great outdoors in the Ottawa County vacationland. A yearly visit should be on your "bucket list" because there are more State Parks here than in any other county in Ohio. Birding, fishing, and boating top the list for recreational adventures, with camping, biking, hiking, and swimming right behind.

Catawba Island State Park

is located on N.W. Catawba Road. This day park offers a fishing pier, launch ramp, and picnic area with shelter. There is a reservable shelter house at both Catawba and South Bass Island for family or business events.

PHOTO BY MARK CAPUCINI

East Harbor State Park

boasts a beautiful sandy beach and 11+ miles of hiking trails. The park includes the largest campground in the Ohio State Park system. Picnic areas are conveniently located next to the beach and allow for memorable views of the lake and surrounding marshlands.

Marblehead Lighthouse State Park

is located on the tip of the Marblehead Peninsula. It's one of Lake Erie's best known and most photographed landmarks and is open for touring weekdays during the summer.

PHOTO BY MARK CAPUCINI

Middle Bass Island State Park & Marina

is one of Ohio's newest state parks and is located in the western basin of Lake Erie. It is a boater's paradise, offering a 190-slip marina.

Oak Point Park

on South Bass Island is a day use park located on the northwest tip of South Bass Island. A scenic picnic area, fishing access, and overnight docking facilities are available.

South Bass Island State Park

offers a family campground, two picnic shelters, picnic areas, launch ramp, fishing pier and a small stone beach area. South Bass Island is accessible by ferry from Port Clinton or Catawba Island for a day trip, or spend the night in the unique efficiency cottages available for rent.

PHOTO BY MARK ARCHIBALD

Visit one of Ottawa County's State Parks, or visit them all for beautiful views, excellent birding opportunities, swimming, picnicking, or hiking! To make reservations for camping at our Ohio State Parks, call 1-866-644-6727. Another unique experience is Schedel Arboretum & Gardens. A 17-acre estate that hosts nearly 15,000

samples of annuals, perennial beds, an extensive Bonsai collection and much more. Each year the beauty and serenity of this treasure brings thousands to the estate on the banks of the Portage River in Elmore. Since 1991 the SA&G has proved to be an extraordinary experience for young and old alike. Visit schedel-gardens.org for a virtual "mini tour" of these unique grounds.

BIRDING AT ITS BEST!

Bird watching is at its best right here in Ottawa County! With a key position along the shores of Lake Erie, the county lies within the flight path of numerous migrating ducks, hawks, shorebirds, and songbirds, and hosts a wide variety of resident birds such as Bald Eagle and Trumpeter Swan. From coastal and inland marshes, to unique forests and prairies on the Marblehead peninsula and Lake Erie islands, the region boasts several great birding spots and is recognized as one of the best places to see birds in North America.

PHOTO BY BRIAN ZWIEBEL

The Only Place to be in Spring!

Bird watchers from around the world know that northwest Ohio is the only place to be in spring! Between Magee Marsh Wildlife Area and Ottawa National Wildlife Refuge, thousands of acres of lakeshore habitat are easily accessible to visitors in search of migrating spring birds. The world-famous Magee Marsh Boardwalk offers birders and photographers outstanding views of warblers, vireos, tanagers, and other songbirds, often at eye-level and mere inches away – an opportunity that's hard to find anywhere else!

Coinciding with this natural bird-passage through the region, Black Swamp Bird Observatory's ten-day festival, The Biggest Week In American Birding, occurs annually in May and has quickly become the largest birding festival in North America. Featuring lectures, guided walks, bus trips, art and photography workshops, The Biggest Week offers a little something for everyone and at every skill level.

Birding Year-round

While spring may be the most dazzling time of year, each season presents new birds and new opportunities. In summer, the area is alive with the sounds of breeding Yellow Warblers and Baltimore Orioles, and sees recently fledged Bald Eagles leaving the nest and beginning to explore the marsh skies. Fall welcomes back the migrant birds sought-after in spring; some in more subtle colors, some as bright as ever, but all slowly working their way south. By winter, an abundance of waterfowl have moved into the marshes and fields; some – like the Tundra Swan – here until spring winds carry them back north. Winter also brings arctic birds such as Snow Bunting

PHOTO BY VINCE CAPOZZIELLO

and the famed Snowy Owl. Whether here for a day or a week-long excursion, Ottawa County offers birders a wide variety of opportunities to explore the region and see birds like nowhere else.

Magee Marsh Wildlife Area and other Ohio wildlife areas are open sunrise to sunset, with scheduled closures during the fall hunting season. The Sportsman's Migratory Bird Center located in Magee Marsh is open 8 a.m. to 3 p.m. Monday through Friday, and 8 a.m. to 3 p.m. Saturdays and Sundays from April to September, with extended Saturday hours until 5 p.m. during April and May.

Ottawa National Wildlife Refuge and its associated properties are open sunrise to sunset, with periodic closures during the fall hunting season. The refuge's Visitor Center is open daily from 9 a.m. to 4 p.m. For more info go to <https://www.fws.gov/refuge/ottawa/>. A 7-mile Wildlife Drive, which weaves its way through the immense main refuge, is open seasonally and on specified dates.

Black Swamp Bird Observatory is located at the entrance of Magee Marsh Wildlife Area, with a gift/nature shop and window on wildlife. Black Swamp Bird Observatory's Annual Biggest Week in American Birding is scheduled for the beginning of May, during peak songbird migration. Visit www.bsbo.org for the most current information and hours.

PARADISE ON THE WATER

Boating enthusiasts and anglers come here every year to enjoy one of the nation's best recreational playgrounds, with the lake at the center of it all. Visit the longest and most beautiful coastline in Ohio here in Ottawa County!

There are many public fishing piers and breakwalls providing easy shoreline access. Species most often caught from shore include yellow perch, smallmouth bass, freshwater drum, and channel catfish. Whether it's by the shore, on your own boat, or with a charter captain guiding you, you will find outstanding world-class sport fishing on Lake Erie.

Boaters occupy over 15,000 docks at marinas that cater to most every boating need, and access to the lake is available at several key visitor points. Numerous launch ramps to Lake Erie are located throughout the County on Catawba Island, Marblehead Peninsula, Sandusky Bay, and at several private marine facilities. Many local marinas can also accommodate sailors with deep waters. Boaters should always consult official

PHOTO BY MARK CAPUCINI

marine charters before navigating Lake Erie waters, particularly around the islands. Pay

PHOTO BY ERIC WINKEL

close attention to weather reports as conditions on the lake can change very quickly.

If you do not own a boat but wish to participate in the joy of water sports, Ottawa County offers that opportunity, too. A sunset cruise around the beautiful islands can be the perfect beginning to a romantic vacation. Charter your own personal skipper to navigate the waters to your favorite

destination. Rent a "bareback" sailboat, pontoon boat, or kayak and paddleboard on the quiet waters of the Portage River. Lake Erie's waters are ready to be explored, enjoyed, and most of all, experienced!

A RETREAT FOR PRESIDENTS...

Ottawa County History

Ottawa County was formed March 6, 1840, and was named for the Indian word meaning “trader” based on the trading of furs and skins between the Ottawa Tribe and the settlers.

The fleet of Commodore Oliver Hazard Perry was “put in” near South Bass Island before defeating the British in the Battle of Lake Erie during the War of 1812. The site now called Put-in-Bay was derived from this event. Perry’s ship, the Niagara, flew a banner with the words “Don’t Give Up The Ship.” Perry’s victory was celebrated throughout the United States. It was the only surrender of the British Fleet in history, which helped prevent a western invasion of the United States.

PHOTO BY ERIC WINKEL

Middle and North Bass Islands were settled by Germans who found the lands suitable for growing grapes and making wine. Notably, Middle Bass Island was once a retreat for four Presidents: Cleveland, Hayes, Harrison, and Taft. Built in 1821, the Marblehead Lighthouse—the oldest lighthouse in Ohio— was originally called the Sandusky Bay Light. This noted lighthouse stands at the end of the Marblehead Peninsula, which has been the roughest point on Lake Erie since the beginning of navigation on the Great Lakes.

PHOTO BY MARK CAPUCINI

Between April 1862 and September 1865, Johnson’s Island served as a military prison, primarily for Confederate officers. No buildings remain, but the Island is the site of the prison cemetery. Port Clinton is home to the Ottawa County Courthouse, a site on the National Register of Historic Places. With its exterior made of Ohio sandstone, each side of the front entranceway has a carving of an Ottawa Indian. The tall bell tower’s clock still sounds the time and is visible from all directions. Inside the Courthouse are mosaic floors, marble wainscoting and a pink marble staircase, plus murals depicting the County’s history, including a two-story mural of one of Perry’s victories during the War of 1812.

The Village of Oak Harbor, previously known as Hartford, was founded in 1835. Sawmills and various lumber-related industries were built here to clear timbers around the Village. Portage River

PHOTO BY AMY BIHN

traffic moved products to Lake Erie and on to national and world ports. The name Oak Harbor reflects the prominence of the wood in the surrounding area and the importance of the Portage River to the Village.

The Village of Genoa is tucked in the most Western part of Ottawa County. Genoa is a community

rich in tradition, history and wonderful people. Here you’ll find one of the Midwest’s finest communities filled with friendly people, excellent schools, rich farmland and abundant park area. Genoa is located within minutes of the western shores of Lake Erie, where you’ll find plentiful activities like swimming, boating, fishing, birding, golfing, antiquing and more.

COMPETITIVE MARKSMEN ON TARGET

National Rifle and Pistol Matches Offer High-level Competition

*Camp Perry is open to the public,
and visitors are always welcome.*

*For information about the Civilian
Marksmanship Program, visit [www.
TheCMP.org](http://www.TheCMP.org), or contact [custserve@
TheCMP.org](mailto:custserve@TheCMP.org). To contact the Camp Perry
Lodging and Conference Center,
visit www.cplcc.com.*

They come to compete for top honors in pistol, smallbore rifle, highpower rifle, and vintage military rifle competitions.

These matches draw more than 6,000 competitors, support staff, and volunteers to the training site, which is also programs headquarters for the Civilian Marksmanship Program (CMP).

Considered by many to be the "World Series" of competitive shooting in the U.S., the National Matches have been held at Camp Perry each summer for more than 100 years. The matches include the CMP's National Trophy Rifle and National Trophy Pistol matches and include the National Rifle Association's Pistol Championships.

Marksmen make their annual pilgrimages to Camp Perry in hopes of shooting well enough to earn awards such as the Distinguished Shooter's Badge and President's 100 honor, or a national trophy. The mission of the CMP is to promote firearms safety and marksmanship training, with an emphasis on youth.

The Camp Perry firing range complex consists of the longest rifle firing line in the world, running approximately 3,400 feet along the Lake Erie shoreline. Four different firing ranges have distances as long as 1,000 yards and cover 240 acres of the camp's total of 603 acres.

The CMP invites you to experience the Gary Anderson CMP Competition Center for air pistol and air rifle, with 80 firing points. It is open to the public on Tuesday and Thursday evenings from 5 to 8 p.m.

STAY, PLAY, ENJOY!

Lodging and Conference Facilities

Whether you are planning to stay for one night or a month, Ottawa County has many available options for visitors or part time residents. Our beautiful Lake Erie provides the perfect backdrop to some of our most popular hotels, bed and breakfasts, camp sites and even secluded nature-inspired cabins. Need something a little more private or planning to visit a little longer? Try renting a modern condo or a cozy nautical-inspired cottage.

Each property boasts various superb amenities such as indoor pools, game rooms, laundry facilities, and fitness centers. Most of the available properties have the latest technologies available from wireless Internet capabilities to video conferencing. And no need to leave your favorite furry friend at home when many of our lodging facilities happily accommodate pets.

Planning a meeting or event?

Choose one of our area conference centers or banquet halls to host, and you will not be disappointed. Whether you are looking for a small meeting room with comfy chairs close to area restaurants, or a banquet facility that is able to accommodate 400, you can find it in Ottawa County.

Your guests, clients, or board members will not be disappointed with your choice to hold your wedding or annual meeting-of-the-minds in this beautiful destination spot on the shores of Lake Erie. Delicious food options from area caterers, cutting edge technologies, and entertaining options to fill everyone's down time add to the long list of reasons to consider Ottawa County for your business or personal function.

Thinking of an Extended Stay?

Classic and historic homes, luxury empty-nester houses, condominiums, and vacation properties are all in abundance in Ottawa County. Whether you live here only during the summer or stay all year long, the area offers homes of all sizes, styles, and prices.

Charming to Sensational

Charming homes replete with history (and sometimes ghosts!) inhabit the downtown streets and outlying farms, vineyards and condos with a waterfront view. Area realtors and builders can help you select your floor plan and find the perfect location for your dream home. Many traditional homes, manufactured homes, and condos of every size and location are ready for move-in day. Choices range from cozy cottages to executive luxury homes or million dollar mansions.

PHOTO BY MARIANNE SHIFF

with dockage. Or for the true water lover, imagine a completely furnished vacation home floating three feet above the water surface!

Ottawa County has long been known for its charm, small towns, and hundreds of farms—along with exceptional land and water recreation opportunities to keep you as active as you like. Come see the possibilities!

PHOTO BY MARIANNE SHIFF

With a View or On the Water

Waterfront property with a stunning view of the lake and the historic Commodore Perry's Victory and International Peace Memorial is another option to consider. You can even choose an island property

"We're a different kind of bank: owned by you and working for you to give you control of your financial future."

EDUCATION GOVERNMENT HEALTHCARE

Ottawa County offers fine learning opportunities for students of all ages. Excellent school districts provide K-12 education. Institutions of higher learning within commuting distance include Terra Community College, Owens Community College, Stautzenberger College, Bowling Green State University (also the Firelands Campus), Heidelberg University, Lourdes University, Tiffin University, and the University of Toledo.

Education

Benton-Carroll-Salem Local School District

419-898-6210 • www.bcs.k12.oh.us

The Benton-Carroll-Salem School District is a student-centered institution invested in the success of our students and community. As the home of the Oak Harbor Rockets, we strive to provide stellar opportunities in academics, the arts, extracurricular activities and athletics. Benton-Carroll-Salem School District consistently ranks in the Top 10 school districts in Northwest Ohio based on academic performance! Our mission is as follows: Through engaging, cutting-edge, student-centered learning opportunities, We Believe each child can achieve success and all staff must remain ready to meet the needs of children; Challenge all students and staff to be civic-minded leaders, problem solvers, and critical thinkers, and; Succeed when we work collaboratively with all district stakeholders to prepare our students for the challenges of higher education, training, the workforce, and life in a democratic society.

Danbury Local School District

419-798-5185 • www.danbury.k12.oh.us

Danbury Local School District includes the villages of Marblehead and Lakeside. It encompasses approximately 17 square miles in an area offering some of the finest outdoor recreation in Ohio. District enrollment averages around 550 students in grades K-12.

Genoa Area Local Schools

419-855-7741 • www.genoaschools.com

Approximately 15 miles from Toledo is the Genoa School District, which covers an area of 48 square miles. The system is comprised of Allen and Clay Townships. Two schools are in the district with a combined average annual enrollment of 1,500 students.

Port Clinton School District

419-732-2102 • www.pccsd.net

facebook.com/portclintonschools • TW & IG: @WearePC

Port Clinton School District, located on the shores of Lake Erie, has new, state-of-the-art facilities for education and athletics thanks to the support of the community. The school district educates 1,650 students on three campuses: Bataan Memorial (grades PK-2 and 3-5); Nationally recognized Port Clinton Middle School for grades 6-8; and newly renovated Port Clinton High School. Port Clinton School District has been named a BEST Community for Music Education in 2019, 2020 and 2021. The \$1.2 million PC Athletic Booster Fieldhouse opened in 2021.

Put-in-Bay Local School District

419-385-3614 • www.put-in-bay.k12.oh.us

Put-in-Bay Local School District is located on South Bass Island and has over 80 students year 'round. Students attend school in one K-12 building which includes a new academic wing. North Bass and Middle Bass Island students also attend Put-in-Bay Local School.

Woodmore Local Schools

419-862-1060 • www.woodmore.k12.oh.us

The Woodmore Local School District is located in both Ottawa and Sandusky Counties. This district of 1,200 students has a high school in Elmore and an elementary school in Woodville.

In addition to the public schools listed above, there are multiple private and faith-based education options available.

Government

During the last two decades, Ottawa County has undergone many positive changes. Seven villages, twelve townships, and one municipality have developed a positive attitude of cooperative governing. This has helped spur tourism, industry retention, and growth in this area of Ohio's heartland, and has made it a popular and desirable recreation area for visitors from all across the United States.

The day-to-day operations of Ottawa County government are handled by three County Commissioners elected to four year terms. The City of Port Clinton (population 6,094), the County Seat, uses a statutory form of government. The mayor and seven council persons are elected to four year terms.

Madison Street's courthouse, in the center of Port Clinton, houses the majority of the County's offices. The beautiful historic Ottawa County Courthouse attracts visitors who enjoy its architecture and historic murals. Adjacent to the courthouse is the Ottawa County Detention Facility. A County/City government complex is on the east end of Port Clinton which houses all City offices, the County Health Department, and the Ottawa County Municipal Court.

Economic Development in the County is primarily guided by the Ottawa County Improvement Corporation. Ottawa County has a great working relationship with our regional partners, and is able to help meet your business needs. We are proud to be located in a region, state, and metropolitan area that have consistently won Governor's Cup Awards from Site Selection Magazine. With a business-friendly tax climate, available grant funding, real property incentives, workforce training assistance, and more, your business will thrive in Ottawa County.

Healthcare

Whether you are here for just a few days, or plan to stay a lifetime, you'll never have to worry about having high quality healthcare services convenient to your needs. Many healthcare needs are served through Magruder Hospital, a Port Clinton mainstay since 1940.

Magruder Hospital was founded by Howard B. Magruder along the shores of Lake Erie's North Coast in Port Clinton. Today, it continues to honor him by serving Ottawa County's year 'round population and seasonal tourists with a variety of inpatient and outpatient services. From its emergency, imaging, surgical, and laboratory departments to cardiac rehabilitation, cardiology, oncology, orthopedics, physical therapy, primary care medicine, and wellness programs, Magruder continues to expand its services and technology to meet the health needs of its community.

Medical services are also provided to Ottawa County by Promedica-Bay Park & Memorial Hospitals, NOMS (Northern Ohio Medical Specialists), Firelands Regional Medical Center, Mercy Health Systems, and FASTrack Urgent Care.

NESTLED ON THE SHORES

The City of Port Clinton is comfortably nestled along the shores of Lake Erie and at the mouth of the Portage River. This beautiful area has long been a great place to live, work, and play. Port Clinton is proud to say that we are the "Walleye Capital of the World", but we are so much more!

Our City is blessed with quaint neighborhoods, a historic downtown, and a variety of

architectural styles and housing opportunities for year-round and part-time residents. Currently, Port Clinton is home for 6,009 residents that range in age and cultural backgrounds. Port Clinton can be your perfect place to raise a family, retire, or begin a new journey.

Port Clinton is located nearly halfway between Cleveland and Toledo. Interstate 80 is just a few miles south of Port Clinton, however the primary road serving the City is State Route 2 - a limited access highway which crosses Sandusky Bay on the Bay Bridge and continues west to Toledo.

Over the past few years, several millions of dollars have been invested into our downtown streetscape. Projects included upgrades to pedestrian safety within the heart of downtown PC with traffic calming features including narrowing traffic lanes, widening sidewalks, ADA accessibility, landscape features, and lighting along the transportation corridors well as new infrastructure. Private buildings are also being revitalized as part of this process.

PHOTO BY DIANNE ROZAK

PHOTO BY STYLES MCATEE

Dinner and Parties with Lake Views

The City has fine and casual dining experiences, offers many unique retail stores where you can find the perfect gift or convenience item, and is home to many service businesses and professional offices. Port Clinton also offers conference and banquet accommodations for weddings and other special events, many with breathtaking views of our greatest natural resource, Lake Erie.

Lighthouse. This beautifully restored lighthouse was constructed in 1896 and through many man hours, grants dollars and generous donations it was given a new life. In August 2016 it was placed at its new home on Lake Erie at Waterworks Park in Port Clinton. Tours are available throughout the summer months.

Our Fabulous Schools

Port Clinton High School is rated "Excellent" on the Ohio Graduation Test. PCHS has achieved this rating for the past several years and continues to exceed the required state indicators. Bataan Elementary School Campus underwent renovations and additions in 2011 and a brand new state-of-the-art Port Clinton Middle School was completed in 2012. Port Clinton Middle School has been the recipient of many distinguished honors including being named a "High Progress School of Honor" from the Ohio Department of Education in 2014-15, an Ohio and National Forum School to Watch in 2015-16 and most recently a Model School by the International Center for Leadership in Education in 2017. The Port Clinton Football Stadium underwent a \$2.8 million upgrade to benefit student athletes in football, soccer and track. The track is a community facility open to the public for use year-round.

OF LAKE ERIE

Harbortown and Quaint Main Street

Downtown Port Clinton is blessed with an extensive, charming and very active harbor area that is occupied by ferry boats providing passenger service to the Lake Erie Islands, commercial fishing vessels, and a large number of private watercrafts. The area welcomes millions of in-state and out-of-state visitors each summer providing world-class open water fishing and a wide range of recreational opportunities which make the Port Clinton area one of Ohio's premier vacation and tourist destinations.

The Chamber and Main Street Port Clinton, a non-profit striving to revitalize our historic downtown, are actively involved with the community striving to enhance the quality of life in Port Clinton and improve the economic and business climate of the region.

The Kick-off to Summer Fun!

Join us for our world famous Walleye Festival over Memorial Day weekend, the perfect kick-off to summer. Residents and visitors can enjoy the free Kids Fishing Derby at Derby Pond, the Grande Parade, live entertainment, carnival rides, delicious food and beverages, and shopping at vendors from around the nation.

The Chamber and Main Street host a number of special events and activities in the Port Clinton community. Residents and visitors can relax on Lake Erie during our Sunset Cruise in July and enjoy over 150 classic cars that are on display in the Car Show each August.

Throughout the summer Jefferson Street Pier plays host to Riverfront Live, our free summer concert series.

With the arrival of autumn comes our community festival in September and young ghouls and goblins descend on our downtown businesses for trick-or-treat and the Halloween Pub Crawl the last Saturday in October.

Our Community Christmas celebration is the first Saturday of December which begins the holiday season in Port Clinton.

Meet new friends, share time with family, relax away the stresses from work all while enjoying one of the world's greatest locations. Whether you are looking for a new place to grow roots or just need a weekend getaway, Port Clinton will not let you down. We know you will love Port Clinton as much as we do!

Fishing for Wylie Walleye

Every New Year's Eve, Wylie drops back to the water at the stroke of midnight in Port Clinton. Book your stay in a local inn or motel to see this unique event rated as one of the "Top Ten Quirkiest New Year's Eve Events" by Trip Advisor.

Other Info...

Before making your lodging reservations or heading out for shopping and dining, don't forget to go to the Chamber's website –

www.portclintonchamber.com

It is your online resource for coupons, events, and specials presented by Port Clinton Chamber members.

When you arrive in Port Clinton, we invite you to stop by the Chamber office for Port Clinton souvenirs, maps of the area, brochures about member businesses, and coupons.

AN EVERY DAY ISLAND

Since the early days of steamship travel, Put-in-Bay (South Bass Island) has been the top Lake Erie destination. A year-round community and summer resort, Put-in-Bay is located in Ohio on South Bass Island in the western basin of Lake Erie. Most visitors and islanders refer to South Bass Island simply as Put-in-Bay. Put-in-Bay is a welcoming place that is one of the most visited, family-friendly vacation spots on the Great Lakes. The fun starts with your ferry ride!

Baycation at the Bay come spend the day, weekend, week or the whole summer. Book an inn, hotel, resort, bed and breakfast, cottage, private home, suite, villa or campground.

Explore by golf cart, bicycle and kayak. You can rent any, or all, while visiting. Discover Lake Erie by chartering a boat for fishing, parasailing, jet skiing, paddle boarding or kayaking! Enjoy golf, mini golf, wineries and caves, museums, and more. Beautiful parks, preserves and trails that you'll enjoy. Visit the Perry's Victory and International Peace Memorial, the most iconic symbol of the Bay.

GETAWAY TO PUT-IN-BAY!

Foodie Fun for all! What is a trip without sampling the local cuisine? Take a stroll down the Put-in-Bay Foodie Trail on Trails.Ohio.org. Offering more than 25 great places to eat all within walking distance from the downtown. The Bay is the Walleye Capital of the World so why not try some fresh perch or walleye! Relax and sip some wine at our two great island wineries. Eat, drink and enjoy!

Shop at the Bay from nautical decor and island artwork to children's toys and Put-in-Bay clothing, our shops have what you need to remember your stay on the island. Many shops feature local items from local artists.

Truly Special Events throughout the season that are family-friendly art, music, special events and romantic

getaways. For the full list of events go to visitputinbay.com/events.

Find Your Island by visiting the center at 148 Delaware Ave. or by visiting our website at VisitPut-in-Bay.com. Located right in front of the Tour Train, one of the best ways to see the island attractions you can grab your island guide & map or feel free to call us at 419-285-2832. MANY REASONS TO VISIT

PHOTO BY MARK CAPUCINI

An Arts Community and More!

At the easternmost tip of the Marblehead Peninsula, surrounded on three sides by Lake Erie, lies the quaint Village of Marblehead. Home to about 900 year 'round residents, the area is host to thousands of visitors every year. The business district has a variety of specialty shops from art galleries and gift shops, to restaurants and ice cream shops. Several nationally known artists live here and have galleries and working studios in Marblehead, including Cary Ferguson, Bailey VanKirk and Rick Dziak.

Marblehead is a pleasant community for work and play, with strong family and community traditions such as the Halupki Festival, Lighthouse Festival, and the Perch Festival, along the many other community-minded fundraising events. This area is also home to the Marblehead Lighthouse and Museum, The Wolcott House, the largest stone quarry in Ohio, Lakeside Chautauqua, Johnson's Island, two state parks, two state boat launches, Lake Point Park, James Park, the rare Lakeside Daisy, and a battle site from the War of 1812. The ferry boat to Kelleys Island docks downtown.

Historically Speaking...

The beautiful 85 foot high Marblehead Lighthouse is the oldest continuously operating lighthouse on the Great Lakes. Commissioned in 1821, visitors today can climb the 77 steps to the upper deck and view Kelleys Island, Cedar Point, and the Sandusky skyline, as well as the Marblehead Peninsula. The lighthouse and the surrounding 14 acres are now known as the Marblehead Lighthouse State Park.

Lighthouse State Park

The Keeper's House is the original home of Benajah and Rachel Wolcott, the first lighthouse keeper. The Ottawa County Historical Society has restored the house, and during the summer season the museum, operated by the Ottawa County Historical Society, is open to the public.

The Chautauqua Experience

Founded in 1873, Lakeside is a seasonally gated community on the north shore of the Marblehead Peninsula. Committed to excellence in programming, Lakeside offers the area's most impressive entertainment and educational programs throughout the summertime.

PHOTO BY ROGER FAIR

Shops, restaurants, and Victorian era cottages round out the Lakeside experience. Each fall, Lakeside and the Marblehead Chamber co-host the Lighthouse Festival.

Civil War History

During the Civil War, Johnson's Island, now accessible by a causeway, was a military prisoner of war camp for Confederate officers. No buildings from that era remain, but the cemetery is open to visitors. One earthen fort and part of another are still intact.

BEAUTIFUL MARBLEHEAD

33 Miles of Shoreline

Area parks and boat launches afford free opportunities to boat, fish, swim, hike, camp, play disc golf, snowmobile, and picnic, with beautiful lake vistas always nearby.

The Lakeside Daisy Preserve is the site of the largest concentration of this rare plant in the United States. Blooming around Mother's Day, the plant is celebrated the second Saturday in May with the Lakeside Daisy Day Festival.

Meadowbrook Marsh Preserve

Located on East Bayshore Road, Danbury Township's 190-acre Meadowbrook Marsh Preserve includes recreational trails, picnic areas and an observation platform for wildlife viewing. The property contains a diverse mixture of habitats, and harbors a number of rare plant and animal species. In 2013, the Township partnered with Black Swamp Conservancy to expand the Preserve by 80 acres, including the biologically significant marsh for which the preserve is named. Danbury Township includes the Village of Marblehead, Johnson's Island, and Lakeside, as well as the rest of the Marblehead Peninsula. It is almost 18 square miles with 33 miles of shoreline. With a population of 3,869, it is also home to several thousand summer-only residents, two volunteer fire departments, two police forces, and many marinas, campgrounds, cottages, motels, inns, and RV parks.

Marblehead Peninsula Chamber of Commerce

The Marblehead Peninsula Chamber of Commerce has been a proud member of this unique community for over 80 years. We are pleased to have members from surrounding areas such as Kelleys Island, Port Clinton, Put-in-Bay, Sandusky, Oak Harbor, Fremont, and Toledo. Most members on the Chamber's Board of Directors are self-employed business persons, and there is strong support for continued area development.

Green Spaces with Amenities

Ottawa County was formed on March 6, 1840 with its earliest settlers the Ottawa Indians. Migrating from Canada, these native North Americans took advantage of the area's abundant wildlife. They lived and traveled along the banks of the Portage River.

As more settlers arrived, they started building log cabins with the area's abundant hardwoods, and in 1895 they discovered that the lime in the area could fill the openings between logs of their log cabins. Early inhabitants also built a school and opened a store. The area was called Stony Station and later it was renamed Genoa.

A glacier deposited an incredible and unique limestone ridge through this area containing heavy strata of pure Niagara Dolomite close to the earth's surface. Limestone underlies the Genoa area. The facilities for lime burning were unsurpassed and made the area famous for its lime deposits. Genoa was

the greatest lime shipping point of the former Lake Shore Railroad. The lime industry was one of the earliest industries to be developed in northwest Ohio.

Dolomitic limestone is produced today in Genoa by Graymont, LTD, which manufactures the primary raw material, a rock from the remains of coral animals and plants from the bottom of oceans. The dolomitic limestone in Genoa is considered to be one of the best deposits in the world for the production of lime products. Oil and gas were also an important industry to the area. In the early 1900s, 334 wells were completed. The formation from which oil and gas was obtained is known as Trenton Limestone. The portion that contains oil and gas is called Dolomite.

Historic Buildings and Grotto

The Town Hall (1883), *The Little Privy* built for school children, and the 600 block of Main Street as well as parts of Washington Street, are all part of the National Register of Historic Places.

The GAR (Grand Army of the Republic) building, built in 1856 as a school house, was later used during and after the Civil War as a post. The building now being restored is one of seven original posts (out of 725 posts) used during and after the Civil War.

Veteran's Memorial Park provides a playground, shelter houses, and quarry swimming. Our Lady of Lourdes Grotto and Stations is a replica of the Grotto in Lourdes, France. It was built in 1933 and is made up of 14 Stations of the Cross bronze reliefs imported from Italy.

Packer Creek Pottery, internationally known, specializes in Majolica Pottery and Genoa Custom Interiors has new home furnishings. Makers On Main is a beautiful boutique with hand made items by local makers. Genoa Jewelers offers unique collections and a goldsmith. If you're hungry, you will find several local eateries including Rayz Café, R Café and Ignite Coffee & Tea.

AND RAISE A FAMILY

Festivals and Cruisin'

For your enjoyment, there will be Cruisin' Car Shows from 6-8pm on the last Tuesday of June, July and August. They have grown with each event and are highly popular.

The Genoa Homecoming is our town's favorite annual event. The festivities are held the weekend after Memorial Day to celebrate the beginning of summer. The weekend of fun starts out with a parade through town on Friday night followed by two more days of various activities such as a

PHOTO BY AMY BIHN

PHOTO BY TONY EVERHARDT

PHOTO BY STYLES MCATEE

pie baking contest, kiddie parade, wine tasting, live music, rides, food and awesome fireworks! The Genoa Homecoming draws thousands of people to our small village every year and we are thankful to all the volunteers that make this event happen.

In September, the Chamber hosts Genoa Harvest Fest. This one-day event celebrates our farming community with a Tractor Show, entertainment and a fall-themed Farmer's Market. Our Genoa Civic Theatre presents excellent productions each year at the Town Hall.

For more information, "Like" Genoa Area Chamber of Commerce on Facebook or visit our website.

About the Chamber

The Genoa Area Chamber of Commerce Mission is to "advance and develop commercial, agricultural, industrial, civic, and general interests of the village of Genoa and all adjacent communities." We are a diverse organization promoting many activities, including Business After Hours networking events for our members. The Genoa Chamber is an all-volunteer organization that encourages its members to get involved in all the activities such as membership, special events, and communications.

A strong relationship with the government of the Village of Genoa has only added to the prosperous atmosphere of the community. This in turn has given the residents of the Village a great place to live, shop, work, and raise their children.

Benefits of Membership to the Chamber

Through its association with the Northern Ohio Area Chambers of Commerce (NOACC), the Genoa Chamber offers benefits that rival large chambers, such as health, life, disability, and long-term care insurance, retirement plan administration, and more. Other benefits include FREE social media advertising on our Facebook page, FREE listing on website, FREE business referrals, first choice sponsorship opportunities, and discounts on member business services.

The history of Oak Harbor, Ohio began in October, 1832 when Joseph Wardlow staked a claim and plotted a Village some ten miles inland from the mouth of the Portage River in Salem Township. The settlement was incorporated on October 12, 1835 as the Village of Hartford, and W. W. Wardlow became the first mayor.

But perhaps the most important figure in the development of Oak Harbor was Adolphus Kraemer. Kraemer brought his family to Hartford in 1838 after purchasing

the claim and went about improving his town. He opened a general store and built a saw mill, and by 1850 he was the wealthiest landowner in Salem Township. He would, until his death in 1885, be the driving force behind every improvement be it the building of a school, land or charitable donation, establishment of service, or influencing railroad locations.

Because there were three other Hartfords in Ohio, the post office requested a name change. After much discussion, Oak Harbor was chosen: "Oak" to emphasize the prominence of that wood in the surrounding area, and "Harbor" the importance of the river to the village. The name of the village itself was changed from Hartford to Oak Harbor on March 27, 1863, and Oak Harbor was incorporated April 17, 1871.

"The Biggest Little Town" is Very Accessible

The Village of Oak Harbor, currently with a population of 2,675, is located at the hub of the industrial Midwest. The village lies on the North bank of the Portage River in Northwest Ohio. It is 25 miles southeast of Toledo; 80 miles south of Detroit, Michigan; 120 miles north of Columbus; and 90 miles west of Cleveland. Access to Lake Erie, via the Portage River, is 10 miles due east from the village. Like most small towns in northwest Ohio, much of the business and commerce of the area is related to agriculture. However, many manufacturing, commercial, and small businesses also call Oak Harbor home. Recreational opportunities abound as the area enjoys a Lake Erie shoreline, beaches, marinas, fishing, and a wildlife refuge.

The village merchants have a lot to offer as well. There are beauty shops, retail/specialty stores, a hardware store, service stations, car dealers, a grocery store, churches, laundromat, banks, twenty-four hour police protection and an emergency medical service. For dining out, the village offers both fast food restaurants and full service restaurants.

The Benton-Carroll-Salem School District, Home of the Oak Harbor Rockets, is centered in the Village of Oak Harbor and is an anchor of community life. The district has consistently performed in the top 10% of school districts in the state, and offers students and families world-class opportunities in academics, extracurricular activities, and the arts. The district is always accepting students for open enrollment. Visit their website at: www.bcassd.com

NATURE AND

HISTORY ABOUND

Green Spaces with Amenities

Oak Harbor has three main parks. Veterans Memorial Park is located on Finke Road on the east side of town. The facilities at the park include four softball diamonds, two full size basketball courts and three half-basketball courts, sand volleyball courts, a sledding hill, a multitude of playground equipment, two open air shelter houses with full electric service and lighting, and two restroom facilities.

Adolphus Kraemer Park is located on Church Street near the Municipal Building and Post Office. The theme of this park reverts

back to the good old days of a public square where the former town hall stood. There is a reconstructed 1870's log cabin on the premises as well as picnic tables and benches so that you can sit and relax and enjoy some quiet time.

Flat Iron Park gets its name from its shape. Located at the west entrance of the village, it is bordered by Water, Main and Toussaint Streets. A gazebo built "by the community, for the community" in 1976 has served as a site for weddings, picnics, organization meetings, and the live nativity scene at Christmas. This park also has a well-known county landmark with a memorial to local veterans of World War I in 1919 and rededicated to all veterans of all conflicts in 1985.

About the Chamber, Events, and Festivals

The Oak Harbor Area Chamber of Commerce was founded in 1970, and since that time has grown to over 160 members and coordinates several events annually. Events include: Annual Easter Egg Hunt, Annual Garage Sale Days, Independence Day Celebration, Oak Harbor Apple Festival, Downtown Trick or Treat, and the Olde Fashioned Christmas Celebration.

The best known event in the area is the Oak Harbor Chamber of Commerce Apple Festival which draws thousands of visitors on the second full weekend in October. With over 120 food and craft vendors and a homemade Apple Butter stir, you're sure to find something you'll enjoy. Events include the Grand Parade, Talent Show, Cornhole Tournament, 5K Run/Walk, Baking Contest, Baby Contest and the always popular Car Show.
